

ADVANCED SQUARE DANCING and WORKSHOPS WITH CORRY LOWDEN

Corry, one of the top 2 callers in Montreal has called since he was 14 years old, and calls for several clubs. He invents about 300 new patterns each year and is an experienced, energetic caller who loves to call and dances as he calls. If you like to move, improve your skills and to dance to some unusual patterns, you will love him!

GET READY TO HAVE FUN!

Wednesdays 6 pm to 9 or so.

May 11 through June 29

Weller Farm dance hall with GREAT ACCOUSTICS
4945 Stage Road Stanstead, QC

For those who want to go beyond PLUS, the plan is to have workshops at the beginning of the evening, and dancing and workshops mixed for the rest of the time, depending on dancer's abilities. We will start with A1 in May and progress through A2, again according to dancers abilities. There will be lots of learning help from Corry and dancing coaches for those beginning ADVANCED, and plenty of CHALLENGING ADVANCED patterns for advanced dancers.

We hope to have dancers from both sides of the border. Casual dress.

Please bring snacks. We have plenty of great water. Bathroom and outhouse are on site. Self contained camping is available. Great views, especially from 16' octagon tower. Building is off grid with wind and solar. There is plenty to see and explore on Weller Farm like trout fishing, hiking, organic gardens, orchard, and fresh produce, GOLDEN RETRIEVER puppies, as well as CARROT WINE for sale.

Cost \$8 per person.

Until we get the US Canada border crossing ability eased, if coming from the USA you will need passports or US passport cards (\$40. at Derby Line post office good for 10 years).
