Directions: from main street Derby Line, VT go north and across border,
one mile north at the north end of Stanstead, turn right
go straight East across divided highway 1/2 mile,
turn right onto Stage Road and go 3+ miles,
turn left into our driveway and drive up gravel road about 1/2 mile

Extra info: Stay on paved road. Stage turns left over bridge at 1.9 miles, continue 1.3 miles to our driveway on left. No other house is on our side for 1 mile either way. Neighbor opposite us has two large barns. Our house is in a valley. There is a vertically opening gate. We are about 5 miles from the Customs. Avoid crossing on Interstate 91. Always cross downtown or at Beebe. It is easier and faster.
Note: You are welcome to camp (self contained or tent in Picnic area) as we have lots of space and the views are beautiful.

With airplane, fly into CTQ2. U-PIC available later in season. Check website:ctq2.org
